YTU-CE TURKISH SIGN LANGUAGE DATABASE CONSENT FORM

In order to carry out researches on Turkish Sign Language and to provide computer assisted studies upon the automatic recognition of Turkish Sign Language, YTU-CE Turkish Sign Language database was collected with the cooperation of Yıldız Technical University, Faculty of Electrical and Electronics Engineering, Department of Computer Engineering and Federation of Hearing Impaired. To obtain a copy of this database, researchers aiming to study on this database must sign this document and agree to abide by the restrictions in this document.

- The database will not be published, copied or distributed in any way, whether for profit or other purpose. This includes distribution, copying or dissemination to a facility or organization unit at the requesting university, organization or company.
- All documents and articles that report on the studies using the YTU-CE Turkish Sign Language database accept the use of the YTU-CE Turkish Sign Language database.
- For the use of the YTU-CE Turkish Sign Language database, an acknowledgement about the YTU-CE Turkish Sign Language database should be placed in all documents and articles that report the researches and please cite the following article:

Abbas Memiş and Songül Albayrak "A Kinect based sign language recognition system using spatio-temporal features", Proc. SPIE 9067, Sixth International Conference on Machine Vision (ICMV 2013), 90670X (24 December 2013); doi: 10.1117/12.2051018;
